LOGNOTE -- Chief, Operations Group, 26 July 1984

2. [ ] Following from this morning's staff meeting:

- DDI gave DDS&T management a briefing on Afghanistan. FBIS received several favorable mentions. DDI likes our Afghan reporting, particularly (apparently) stuff from the Pakistani press. [ ]

- New parking in Langley will open in October and the underground garage next October. [ ]
- [ ] of OTS has been appointed DDS&T rep to the DO. He'll probably be around for briefings. [ ]
- On the FY-87 planning exercise, we'll need to have something ready by the end of August. [ ]
- The DCI wants a report by 3 August on progress in the "search for excellence." Yeck. [ ]
- Congress will not complete work on the FY-85 budget and there will no doubt be another continuing resolution. DDS&T wants to know if this will give us any problems. [ ]
- D/FBIS briefed the IC staff on modernization. Lots of flack about getting on with machine translation, probably aimed sidewise at the Comptroller who continually takes MT money out of the budget.
